From the President's Desk

It's turning out to be a great summer, there has been lots of rides to attend, and several of our folks are showing up and enjoying the trails and good company.

This past weekend several of us attended the ride in Lostine. It was a very nice weekend, miles & miles of trails, lots of food, visiting around the campfire, and weather in the high 80's.

At our last meeting it was reported that we now have \$1,908.00 in our checking account. Now that we've generated this income, maybe all of us should start thinking about what we would like to do with these funds. Not that we need to just go out and blow it all, but if there are some items that would make this club more enjoyable, maybe we should consider purchasing them. Personally, I would like to see the club purchase some tools to help with trail cleaning projects. Maybe even some tools that would be carried by members while on each ride, that way if we were to come across a downed tree on a trail, we would have some tools to clear it.

Possibly some of this money should be used to unit our members during a social event. A Round-Up pre-parade party (or post-parade) has been mentioned, or we could hold a hosted Christmas party this year.

The money in the account is money raised by our members, and should therefore be used by our members in what ever way they see fit. Please think about this subject and come to the next couple of meetings prepared to give your opinion.

See you on the trails!

Deb

North Fork Trail Ride (Coyote Ridge) July 29th By Pam Cogan

Eight club members & guests, Gene & Marilyn Cripe met in Adams and headed to tollgate by 8:20. The ride in was mostly down hill and a few logs across the trail. We broke for lunch and socializing at a camp ground at the bottom next to the creek. After nourishment and a little rest, we headed back up the same trail. We had to cut a couple of logs out of the way. Phil Sharkey's mothers horse tripped and fell once, Debbie Sutor's horse tripped numerous times and took one small side trip over the edge. No casualties to report. It rained most of the way back up the trail. The weather didn't cooperate, but the company was superb. Many thanks to Gene Cripe for packing along a small folding saw. After the ride, all the cold and wet riders stopped at the Chalet for hot coffee/hot cocoa, soup, etc. Phil & Laura's youngest (3 yrs) was such a trooper. He sat right in front of mom & hardly a complaint.

Ukiah - Forks, Camp-out

The weekend of July 14 & 15, the Johnsons, Cozby's, Jamie Dennis, Jason Wilkins, & Debbie Sutor all camped out at the Forks trail head, outside of Ukiah. A variety of nicely groomed trails were ridden over the weekend.

This turned out to be one more wonderful weekend were some of our members were able to get together and enjoy each other's company. Some riding shorter trails and some being more adventurous.

If your looking for someone to ride with on the weekend, and there isn't a ride planned, please contact some of your fellow BCH members. I'm sure you'll find several people just like yourself, looking for someone to ride with and after just a few phone calls you will have created a memorable event all on your own.
